As tough and rugged as its namesake, the Shackleton Duffel is designed to endure any epic adventure time after time. Built 100% waterproof with our tough as nails 500D PVC tarpaulin material and 100% RF welded seams, this duffel will never let you down.

At 105 liters, the Shackleton is the ultimate bag for long journeys with plenty of room for all your gear. The main compartment is accessed through the Velcro roll top closure ensuring your belongings stay dry. Compression straps keep everything tight when your gear is getting tossed from dock to ship or into a helicopter cargo net and can double as a rod case holder when you are headed into the bush.

The Shackleton Duffel easily converts to a backpack when the hidden straps are deployed.

The GAGE Deck Knife features a sheath with a belt clip and a secure clamp so it can be worn in a variety of ways including fastened to the suspenders of bib pants or waders. Secure locking mechanism allows the knife and sheath to be worn upside down. Then we put the fisherman's most popular serration on a thin 440 stainless blade and gave it a bigger, easy to hold ergonomic handle to produce what we think will be the best affordable knife for the professional fisherman and avid outdoors man.
